18-1 I'd like to get your feelings toward a number of well-known groups. I'll read the name of a group and I'd like you to rate that group using something we call the feeling thermometer. Ratings between 50 degrees and 100 degrees mean that you feel favorable and warm toward the group. Ratings between 0 degrees and 50 degrees mean that you don't feel favorable and don't care too much for that group. You would rate the group at the 50-degree mark if you don't feel particularly warm or cold toward the group. Feel free to use the entire extent of the scale.
